

“PERSON-CENTRED HIGHER DEPENDENCY RESIDENTIAL CARE IS PROVIDED BY FRIENDLY, PROFESSIONAL STAFF.”

Middleton Court is a purpose-built residential service for those requiring high levels of individual care. With a high ratio of staff to residents we offer twenty superior rooms, with an overhead tracking hoist to assist those with more complex mobility issues and a spacious bathroom in each. They have been designed with residents' dignity and comfort in mind.

All rooms look onto a courtyard, attractive gardens or woodlands.
Communal indoor areas feature an attractive, light lounge and dining room.

Our co-owners pride themselves on the level of person-centred specialist support they provide for residents as well as support for families.

“Everyone involved in my father’s care has done their utmost to ensure that he is comfortable and content. His personal care is tailored to take into account his medical conditions as the staff have listened carefully to his wishes from the very start. The icing on the cake is that his health has improved week by week.”

“Offering the highest level of higher dependency residential care Middleton Hall prides itself on being an innovative leader in accommodation and services for older people.”

It is important that all our residents are supported in living the most fulfilled life they can. Through our ‘Living Well’ ethos and extensive recreational facilities, we attend to a person’s social, intellectual and emotional needs as much as their medical ones.

There are a wide range of stimulating activities based on interests and ability. Most activities are conducted on a small group or individual basis.

Middleton Hall provides our own transport, which can accommodate wheelchairs that can be used for outings to theatres, shops, local events, trips to the coast, nature reserves, picnics or whatever residents prefer. In addition, we provide a local transport service in Middleton Hall’s car.

The Health and Wellbeing team run regular exercise classes and individual appointments as well as supervised and assisted sessions in the swimming pool, spa pool and gym.

Please contact Caroline Soullier on 01325 332207 if you are interested in knowing more about the services we will offer and to view the facilities.
